

Sundays Hill Bypass – Heath House Lane Closure

Dear Residents

Heath House Lane Closure

The next phase of the works at Sundays Hill Bypass, namely the tie-in from the new bridge to Heath House Lane (SHB Part B) will require a road closure for a period of two months. Before we came to this decision we reviewed the proposed closure with both Hampshire County Council and Eastleigh Borough Council and looked at other options e.g. night working, temporary traffic lights, and the result is a closure is still the safest and most productive way to undertake the tie-in works.

The closure period, from the 5th March 2018 until the 27th April 2018 (closure extents as per attached plan) is the worst case and we will endeavour to reduce this period but a lot will depend on services and weather conditions.

Diversion Routes

General Traffic:

1. Traffic from Botley, Boorley Green & Hedge End, diverted via Lower Northam Road and St. Johns Road, A27 to Junction 8 (diversion route starts at Maypole Roundabout).
2. Traffic from M27, diverted via Dodwell Lane/Bursledon Road and Lower Northam Road (diversion route starts at Dodwell Lane/Heath House Land Junction).

Buses:

Bus Xelabus Route X4 (runs north along Heath House Lane) and Bluestar Route 3 (runs both direction along Heath House Lane) will be diverted. Please contact the relevant bus companies for revised routing and timetables.

Xelabus: 023 8064 4715 or admin@xelabus.info

Bluestar: 01202 338421 or managersmailbox@bluestarbus.co.uk

We apologise in advance for the delays that may be experienced during the works.

Should you have any concerns over the works please do not hesitate to contact me on the email address below.
