They show the income and expenditure of the Council and have been subject to scrutiny by our own accountant and auditor, and then presented to independent external auditors for final approval and comment. Approval was received and the certified accounts subsequently presented to, and approved, by Full Council.

They represent the financial activities of this Council throughout the year 2017/2018. They are prepared by the Town Clerk who is the Responsible Financial Officer.

These accounts continue to be available on the Hedge End Town Council website.

During 2017/2018 we continued our programme of upgrading our play areas by improving the area at Turnpike Way. Indeed, this year we have just completed a large extension to the Dowds Farm Play area.

Several years ago, we began a programme of additional maintenance of our buildings to ensure that they are kept in good order. This continues to be on-going and works are scheduled to community buildings as and when identified.

Despite holding our Council Tax precept at a 0% increase for the year 2017/2018 we continued with funding support for Youth Services, PCSOs', and the Berry Theatre in respect of youth and local productions.

In conclusion, our new Town Clerk appointed in February is intending to look at ways to provide local facilities in a more efficient manner, and we are committing ourselves to a fewer number of projects whilst we review our activities to ensure best value for money. After much consideration it was agreed that our Council Tax Precept in 2019/2020 should rise by a below inflation rate of 1.5%.

The Sunday Hill's bypass which is the link between Heath House Lane, Kings Copse Avenue and junction 8 of the M27 has been open a few months now and were part of the planning agreement for Boorley Park.

The committee also agreed to projects to increase parking spaces in Ratcliffe Road, a road widening scheme in Waterbeech Drive, a dropped kerb in Downscroft Gardens and to replace the boardwalk at the back of Berrywood School.

The committee works in partnership with Hedge End Town Council and have jointly funded the extension to the Dowds Park play area and building improvements at the Old School House. Match funding is provided to the Teenage Drop In centre which is a highly valued service for our local people.

Cllr Garton said that all this could not happen without the support of their Local Area Manager, Julia Birt and our thanks are extended to her for her continued support and hard work.
