A Note From

The Town Clerk's Desk...

Autumn is almost upon us. We can look forward to windy weather, the odd balmy sunny day and those crisp mornings when you can see your breath.

I don't know about you, but I always feel invigorated at the beginning of a changing season, especially the ending of summer and the transition into autumn. There is a stark change in the air heralding the onset of Autumn. The chilly morning, the condensation on the car windows and the dew are all sure signs that the weather is on the turn. At the time of writing this editorial, it is mid-August and I have already noticed the nights are stealthily beginning to draw in and it won't be too long before we start debating when to turn the heating back on!

Autumn brings fantastic vibrant colours that only Mother Nature can muster and we are so fortunate in Hedge End to experience the changes in the trees and flowers to find an oasis of rural life in the midst of an essentially urban conurbation. Autumn produces late afternoon sunsets, crispy orange leaves and the 'Back to School' vibe. Autumn is the season of new beginnings, harvest festivals, a refreshing break from the norm or of the welcome return to the norm following the holiday season. It is the season of new textbooks, sharpened pencils and clean white notepads, the first page of which nearly always receives the perfect, neatest handwriting treatment!

What Makes a Neighbourhood Great and a 'Good Place'? Through the many years in local government, I have learned a number of key lessons about what creates a great neighbourhood. The key is having a number of good places within the neighbourhood where people can go to relax, have fun and see one another.

Good places promote sociability. These are the spots where you run into people you know, where you take friends and family when you want to show them the neighbourhood. These places become the heart and soul of the neighbourhood because they

offer people many different reasons to go there. The places people love most are the ones where they can pursue a variety of activities. Without opportunities to do something more than sit and look around, the experience you have in that place is limited and as a result, there is nothing to keep you there for any length of time.

Good places are comfortable and attractive. They beckon you to come and visit. Flowers, comfortable benches with a nice view all make you feel this is a place you want to come to on a regular basis. In contrast, a place that lacks these kind of amenities often feels less welcoming.

Good places are inspired by the people who live there. The big question is, of course, how do you begin to create the good places that every neighbourhood craves? What process can you use to build spots where people want to hang out? Long experience has shown us that bottom-up rather than top-down strategies to create or revitalise public spaces work best. This approach is based on the simple truth that the people who live in a neighbourhood are the world's experts on their particular place. Any project to improve things should be guided by the community's wisdom and experience. This is the most important objective about making great neighbourhoods.

Finally, I would like to wish all our young people a successful start for the new autumn term and hope you all stay safe and well.

See you soon,

Kevin

CHAIR'S REPORT

I am very pleased to announce that Hedge End is now a Dementia Friendly Community following the launch held on Saturday 22 August in the Town Centre.

It was a fantastic morning, starting with the Wildern Community Choir, then a speech and introduction by myself and then we had The Worshipful the Mayor of Eastleigh, Jane Welsh, to present the participating businesses with their Dementia Friendly badges.

To date, we have signed up 21 local businesses, but this is just the beginning for Hedge End and I hope that many more in the village will join us and sign up too! Building a 'Dementia Friendly Community', I feel, is a priority for everyone. To show that people with dementia can face significant barriers when engaging in their social life in our area. If we are going to make an impact to remove the stigma and enable people with dementia to be a part of their community, then it is vital that we all play a part.

With just a few small adjustments we can make our community Dementia Friendly...

We need individuals, organisations and yes, whole communities to gear up and face the challenge. We all have a responsibility to spread the message that everyone can make a difference. This might mean making sure someone is still welcomed at an activity group, place of worship or even a shop, or just offering a helping hand to anyone who

(L-R: Jane Ward, Andover Mind; Emma Norman; Jane Welsh; Freddie Fard, Gossip N Cream)

appears to be lost or frightened.

We can ensure that people with dementia live well with the condition, we can create a dementia friendly community where people with dementia and their carers feel confident, understood, respected and included in all areas of life.

If you would like to find out about becoming a Dementia Friend, please contact me, I look forward to hearing from you.

RECREATION & AMENITIES REPORT

I am delighted once again to report that we have received the Green Flag Award for our cemetery and Cenotaph for the 6th year running. This is no mean feat, as we never know when we are going to get an inspection. So, our ground staff have to be on their toes at all times to keep it in tip top condition. I would like to thank Ken Hiscock, especially for taking such pride in it. We are always getting lovely comments from our residents!

Our so-called summer has not been too great, but on the lovely sunny days our paddling pool has been well used and is appreciated so much by all the children. It is great to see them all enjoying themselves with their mums, dads and grandparents.

Our kiosk too, is a great success, thanks to Yon Harvey. I believe she is kept very busy when the sun shines! This year we paid extra to Hedge End Club for using their car park. This helped enormously and hopefully took some of the extra cars off the main roads.

Having just completed an inspection of the allotments, I noticed a few have not been maintained this year. If you feel you do not use your

plot, please let us know so we can rent it out to another resident. If, however, you have a reason that you cannot manage it, but would like to keep it, we would like to know. Then we won't write to you asking you to vacate it.

Our village centre flower gardens have been looking lovely, thanks to our Horticultural Society. We really appreciate it!

I have had comments regarding the litter in and around the village. This is a shame as it is so easy to just take your rubbish home with you. Unfortunately, we cannot control the rubbish that is being dumped behind the shops as this is private property. I know some of the shop owners are being very responsible by keeping their sites rubbish free, but it still seems to accumulate. This is a big problem - but what can we do?

Autumn will soon be with us and holidays will be over, but there is still plenty to do in our open spaces. So, enjoy walking around our parks and let me know if you think we need to do more.

FORTHCOMING MAYOR'S EVENTS

I have arranged the following events so far, for the coming Mayoral year - others will follow later.

If you can support me in anyway by coming along, I would love to see you. The more well supported these events are, will help benefit my charities. They are Hamble Life Boat and Shine South (Spina Bifida & Hydrocephalus) for Eastleigh Borough Council area. Plus, we are also raising funds for a new feature for Hedge End. Please support me if you can.

10 October 15 - Country & Western Band. Victoria Country Park. (Marquee with real ale & wine) £10

17 October 15 - Rockafella's 50's, 60's, 70's, 80's Live band / Dance. Hedge End Village Hall. £10

28 November 15 - Race Night. 2000 Centre

5 December 15 - Table Top Sale 10am-2pm. Village Hall. Table hire £10.

Tree Warden's Report

TREE WARDEN'S REPORT

I have just come back from a wonderful few days in Scotland and, as usual, I take a great interest in the trees in each area that I visit.

It is evident that the high winds over the last few years have taken their toll on some of the forests, with many trees blown flat or the foliage damaged or blown away. However, it is good to see that new ones have been planted and many of them are broad leaf varieties too.

This reminded me of an article I once read about tree planting in different areas of the country. Britain is divided into areas and trees from one area may not grow so well if planted in another. Due to the weather being of a marine nature (as we are never far from the sea), trees and shrubs imported from the continent may not survive as well as trees from local areas and those from the north may not grow as well as in the south and vice versa. Therefore, one has to admire the botanists of the past who introduced some of the many different species we now take for granted.

Back home I saw some people gathering blackberries and plums. In and around Hedge End, it is evident that it has been a good year for some fruits as the ones alongside the roads and pavements show only too well. It has also been a very good year for both roses and hydrangeas, as well as a lot of other flowers seen in our gardens over the summer.

Hawthorn berries
in Botleigh Lakeside...

With autumn soon to be with us, the colours of the leaves are beginning to change, giving us a visual delight to behold in the cooler weeks ahead.

Dowd's Farm Big Lunch

The big day had finally arrived - after a year of planning and organising by the Dowd's Farm Residents Association, the Dowd's Farm Big Lunch took place on Sunday 7 June...

The one thing we couldn't organise, the great British weather! So we breathed a collective sigh of relief when the weather forecast was indeed correct and a lovely sunny day greeted us as we set up bunting and laid out the children's games borrowed from Wellstead Primary School.

We had an amazing day and were so pleased with the turnout. It was great to see so many people who live around the area come along, and to see the children having fun. The group would like to thank ASDA at West End and the Co-Operative at Hedge End for donating prizes.

The residents' association has been running for just over 3 years, covering the new Dowd's Farm estate in Hedge End. We're currently setting up a bank account and will be looking into applying for charitable status so that we can apply for community grants to fund more activities that benefit residents in the local community.

The group meets quarterly in the Salvation Army Church and Community Centre on Whites Way. From its modest beginnings, the group has been supported by Radian Housing Association, The Salvation Army and both Hedge End and Eastleigh

Councils. So far, the group has been involved in securing a car park for the benefit of park users and has provided a forum for residents to feed into the Police and Councils about any issues and to hear updates affecting the local area. We also wanted to do something positive in the area that we live in, hence the idea for the Big Lunch.

The next residents' association meeting is Tuesday 13 October at 7pm; all residents living in Dowd's Farm are welcome to come along! If you would like to be involved or want to get in touch, have a look at our website:

or email us:

In the meantime, save the date for next year's Big Lunch... the first Sunday of June, June the 5th!!

Carnival News

Hedge End Carnival 2015

The events held in Carnival Week were generally well supported. Once again the Quiz was sold out, however, it was no surprise that the Dog Show attracted the smallest number of entries ever because it turned out to be the hottest day of the year...

Highlight of the week was undoubtedly the **Scavenger Hunt**. Nineteen teams took part and it was lovely to see the village centre busy one evening. Thanks to everyone who took part and the businesses that supported the initiative. We are hoping that it can return next year.

Excellent weather greeted Carnival Day and lots of people turned out to watch the procession with big crowds in the village centre. We thank the Hedge End based groups that took part but we have reached the point again where, if it was not for people from elsewhere joining in or being paid to take part, then there would have been very little in the procession.

What makes carnival so special is that you can take part - it is up to you how good it is. Next year we would like to see lots more people taking part and making sure that the best thing about Hedge End remains the best thing about Hedge End. When you get that note from your child's school or Brownie group asking for your help so that they can enter the carnival, make sure that your answer is Yes!

The amount of money left over to distribute to good causes is much less than in recent years. As usual the street collection did not raise enough to cover the cost of putting on the procession, but the main reason is that we had to cancel the Fantastic Firework Fiesta last year. As a result most of the donations made will be to organisations that took part in, or helped with the carnival. The coming few months are busy for the Carnival Committee -

ANNUAL GENERAL MEETING

Thurs 24 Sept, 7.30pm, Hedge End Village Hall.
Do come along to find out more about your carnival or if you would like to volunteer.

ANNUAL SENIOR CITIZENS LUNCH

Saturday 3 October 2015

Open to all Hedge End residents over state pension age, limited to the first 100 applications. Claim your **FREE PLACE** by adding your name to the list at the front counter of Hedge End Post Office.

On 31 October, we will be bringing another new event to Hedge End. We will be holding a **Shuffleboard Night** at the Village Hall. It is a very old English pastime that is enjoying a popular resurgence. At just £8.00 including food, it will be great value and great fun. You must book in advance if you want to join us. Telephone 01489 786062 to reserve your place.

The Fantastic Firework Fiesta & Fun Fair is scheduled for Saturday 14 November.

For the sixth year the admission charges have been held to £3 per adult £1 per child or a family of 2 adults and 2 children just £7. We invite you to compare our charges with other firework events. This great value is only possible because of the fun fair so make sure that you bring along a few pounds to spend on the fair. The Firework Fiesta is always subject to weather conditions. We recommend that you check the carnival website before you set out if the weather is looking dubious. Remember that there is no public car parking in Hedge End and many of the privately owned car parks have restrictions. To avoid any problems, make the Firework Fiesta and Carnival events that you walk to.

We are sorry that we have had to abandon the inaugural Hedge End Music Festival that we were planning to bring you next February, but are very pleased to announce that **The Swing Commanders will be joining us again on 6 February 2016.** Tickets are on sale from November.

HEDGE END SENIORS TABLE TENNIS CLUB

On 25 June, Beverley King, founder member, welcomed the Mayor of Eastleigh, Jane Welsh and her escort, Len Welsh, to the 2000 Centre, Hedge End - home of the newly founded table tennis club - thanking her for agreeing to officially declare Hedge End Seniors Table Tennis Club open.

A warm welcome was also extended to the Town Clerk, Kevin Glyn-Davies and Julia Birt, HEWEB Local Area Co-Ordinator for Eastleigh Borough Council, for attending the event. A special thank you was given to both Hedge End Town Council and Eastleigh Borough Council for funding the purchase of the two new tables needed to start up the club.

Following an inaugural game of table tennis played between The Mayor and the Club Chairman, Michael Luscombe, declaring the club officially open, some fifteen players had come along to play. This was

followed by light refreshments, during which time the Mayor of Eastleigh was presented with a bouquet of flowers.

Hedge End Seniors Table Tennis Club meet every Thursday at the 2000 Centre, St Johns Road, between 2-4 PM. Contact: 01489 781088

Having recently purchased a third table, they are now able to accommodate more players and welcome new members to this fun and friendly session. Exercise your body and mind whilst enjoying a good community spirit. See you there!

HAMBLE VALLEY U3A

What is the University of the Third Age (U3A)?

It's a unique and exciting self-help educational movement for people no longer in full time work.

What does it offer?

- The opportunity to pursue learning for sheer enjoyment and for its own sake.
- Shared learning experiences in a wide range of interest groups.
- Hamble Valley U3A has over 50 different interest groups ranging from art appreciation and belly dancing to languages and walking groups.
- New friendships

As its name suggests, Hamble Valley U3A covers the villages surrounding the River Hamble – Hamble, Netley & Hound, Bursledon, Hedge End, Botley and West End. But you do not have to live in those villages to belong to our U3A branch. Many of our members come from outside of those areas.

We also arrange outings, events and trips throughout the year...

And hold meetings with various speakers in Hedge End once a month...

Why not join us? You will be made to feel very welcome!

Hedge End Breakfast Rotary Club

OVER 60'S TEA PARTY

Hedge End Breakfast Rotary Club (HEBRC) is very pleased to advise that approximately 60 people attended the Over 60s' Tea Party on 12 April 2015.

Transport was provided, where requested. Sherry, wine and soft drinks were available on arrival, after which sandwiches, scones with jam and clotted cream plus cakes and tea were served by the members, their spouses and friends.

The attendees were able to meet new people and socialise. Ice cream was then distributed before they returned home. Those present advised the members that they had thoroughly enjoyed the afternoon.

The club is very grateful for the donations received from Budgens, The Co-operative and Tesco, which helped to defray the costs of the afternoon.

In addition, assistance was received from Hedge End Post Office, The Farmers Home, Skyline and the members' spouses and friends.

The President, Andy Grace, thanked the attendees and those who had assisted to ensure that the afternoon was very successful and enjoyable. It is intended that the Tea Party is held annually in future, rather than every two years.

RACE NIGHT

Hedge End Breakfast Rotary Club held a Race Night on 9 May to raise money for various charities. The races were sponsored by the members, their spouses and friends. Every sponsor of the winning trainer and horse won a bottle of wine. Trainers for the last race were sponsored which raised an additional £150. **£1843 was raised.** 86 people attended and had a fun night. The charities supported were: Countess Mountbatten

Hospice, End Polio Now, Rotary Foundation, Emergency Fund for Shelter Boxes and Cardiac Risk on the Young.

End Polio Now is a charity sponsored by Rotary which enables vaccinations to be given to large numbers of people in underdeveloped countries. Bill Gates, of Microsoft, donates £2 for every £1 that is raised by Rotary. Andy Grace, this year's club President, has made this his charity. There are now very few new cases being reported and it is hoped that the disease will be eradicated in the foreseeable future.

Shelter Boxes contain sufficient equipment to assist in housing people whose homes have been devastated by earthquakes, hurricanes, etc. The club recently sent a box to Nepal. Amongst the equipment is a tent which houses ten people, a water filtration system, which cleanses dirty water making it safe to drink, cooking equipment and some goodies for children.

KIDS OUT

Hedge End Breakfast Rotary Club took 8 children from Wildern Opportunity Group with social and special needs and eleven visually impaired children from Kings Copse School, to Paulton's Park on 10 June.

A huge number of Rotary Clubs gathered at Paulton's Park with children living with social and special needs from all around Hampshire and beyond.

Mini buses were used to transport the children and helpers. The sun shone all day, which added to everyone's enjoyment. After a few hours spent on the rides, a picnic lunch was provided by the Rotary organisers. Once lunch was over, there was time to enjoy a few more rides before taking the attendees back to Hedge End.

BILINGUASING FOR UNDER 5'S COMES TO HEDGE END

At Berkshire based French and Spanish music class 'BilinguaSing' we're delighted to win another national award at the *What's on 4 Little One's Ceremony at Drayton Manor Park, Staffordshire*. Ellie Baker, founder and fellow franchisee commented 'Children love playing with language - they are constantly absorbing sounds ready for when they begin to talk. Giving them the opportunity to broaden their horizons through the natural acquisition of a second language is such a gift and the benefits are far greater than you may ever have imagined!'

In January 2015 BilinguaSing came to Wildern School where weekly classes take place every Friday at 4.30 pm.

Classes are suitable from birth and Spanish classes are now running in the South of Hampshire taught by Lourdes and Patricia. Both Spanish native, Lourdes is a mum of three bilingual children living in Hedge End and Patricia is a student at Winchester University living in Fareham.

BilinguaSing Southampton and Winchester would like to offer all readers of the Gazette the opportunity to trial a class for free - no language skills necessary, come and learn a new language with your little one!

CRIME PREVENTION ADVICE THEFT FROM VEHICLES

Dear Resident,

You may be aware that there have recently been thefts from vehicles in your area. The purpose of this newsletter is not to frighten you, but to raise your awareness and ask you to be extra vigilant.

There are measures you can take to reduce the likelihood of becoming a victim yourself, such as:

- When you leave your vehicle make sure the doors of your vehicle are locked & the windows & sunroof are shut, no matter how hot the weather is.
- If possible, park your vehicle in a busy area. If you have a garage, use it.
- Do not leave anything in your vehicle, including the boot. A jacket or coat left behind may be of very little value to you, but a thief may think it has been used to hide a laptop or handbag and will break into your vehicle to find out.
- If you have a removable music system, take it with you.
- Make sure you do not leave documents which have your name on in your vehicle.
- Do not leave your sat-nav in your vehicle & don't forget to remove the cradle and wipe the suction marks from your windscreen.

Report suspicious activity to the Police on 101 or anonymously via the CRIMESTOPPER\$ charity on 0800 555 111

For further advice please contact your local Safer Neighbourhoods team using the details below or Visit: **www.hampshire.police.uk** and type in your postcode to find your local policing pages.

SOUTHAMPTON SANDS - LOCAL SUPPORT GROUP FOR PARENTS

Following the article in the Spring Gazette about the memorial for babies at Albert Road Cemetery, readers may like to know that there is an active local branch of Sands.

Southampton Sands (Stillbirth and Neo-Natal Death Charity) supports parents and families in the local area through the experience of losing a baby. The group is run by volunteers who have all originally come to the group for support after their babies died.

Anyone who has been affected by the death of a baby, whether recently or many years ago, is welcome to contact us.

We facilitate group meetings once a month, and also provide support by email, phone and through our closed Facebook group. We have some resources and information, but mostly what you can expect is the kind of understanding that only another bereaved parent or grandparent can have.

We hope to bring together people who have suffered the tragedy of the death of their child to share information, help and support each other.

HEDGE END FLOWER CLUB

We can report that, once again, we had a very successful afternoon at the Carnival. Our arrangements this year depicted a celebration of each month of the year. It was very well received by the visiting public who told us our standards improve each time.

The overall winners were No.7 Cowes Week voted for by the public who visited the display. We also had a novice class which was won by No.1 Burns Night. Many thanks to all who voted. We had 377 visitors through the marquee. Thank you for your support. See you again in 2016!

The Club this year was invited by Eastleigh Borough Council to arrange flowers for the general election count and we also arranged flowers for the mayor making ceremony at Kings Community Church, which we have been asked to do again next year.
